

27 May 2008

Press release

---

An updated of the 2007 Financial Report is available on the Company's website: [www.aprr.com](http://www.aprr.com).

This document, which includes the Statutory Auditors' Report on the company financial statements, completes the version published online on 30 April 2008.

**Autoroutes Paris-Rhin-Rhône Group**

*Europe's fourth-largest motorway company, APRR Group, a subsidiary of Eiffage, operates 2,215 km of the 2,279 km privately-managed motorway network available under concession from the State. The Group's motorway network is a major communications axis in Europe. In 2007, the network recorded more than 20 billion kilometres travelled and the Group posted consolidated revenues of €1,803 million and net profit of €341 million, with more than 4,000 employees.*
